@aamir1204

Hello Satyam Sir, I'm Aamir, an online student of Mad Executive. First of all, tysm! Over the past week, I've truly started feeling like I'm competing in a real competitive environment, whether it's about handling test pressure or managing consistency. I'm following the Mad Execute plan ruthlessly.

In the last week, I attempted 3 tests and scored 60, 70, and 62 respectively. The last test didn't go as well because my revision wasn't proper, so I made some mistakes.

Also, regarding the audit you mentioned, everything is complete from my end except the TLS for the 3rd test, which I'll be makin soon.

Testimonials

Brahmani

I don't usually speak much here, but today my heart is full, and I couldn't hold back.

Thank you from the bottom of my heart to @Daybreak5 and **@J_Satyam sir**. Your guidance, belief, and constant presence have meant more than words can express.

I've been silently part of this beautiful US family since December 2023 - reading, listening, and growing each day. Even though I wasn't active in the group, every message, every **MAD** session, every insight made a difference. I always felt supported, even in silence.

From scoring just 19 in GS in my first attempt to 81 in my second, the journey has been nothing short of transformative. The improvement isn't just in numbers - it's in confidence, clarity, and courage

Sagar

Hello sir, thank you so much for all the help you provided since the start of prevail programme. I was in batch 1 and connected to satyam bhaiya from long time. I am getting 95 to 100 marks from various keys in GS and I know very well it was impossible for me without **MAD**. **Dhruv sir** test discussion helped a lot. And the **MAD** marathon, I attended it live. The CSAT lecture also helped and I am hopeful that will clear Csat also (getting 78 to 88 from various keys). I was a conquer mains programme student and also wish to have progress in that since I am hopeful that I will be giving my first ever mains after a long time

Dipanjay Rajpurohit

But mera prelims ek bhi bar clear nhi hua h abhi tk and is bar **MAD** Iga ke 98 marks aa rhe (hopefully)

Thank-you so much Dhruv bhai, **Satyam sir/bhaiya** for this

Sachin Gaira

Mains ka krte hain ab full force mai under your guidance, Hope to see you again for Antim Pag

Shraddha Patange

And me being me, even when I did some 2-3 blunders as usual in the GS paper, **MAD** and your voice saved my attempt.

I always clear CSAT with a score around 100 but GS fails me every time.

This time too I'm scoring around 84-90 in CSAT according to various keys.

This is my 5th attempt and for the FIRST time with god's and US' grace, it is very likely that I'll clear prelims.

I still can't believe it. Thank you, thank you, thank

you.

Shweta Laxmi

Prachi Giri

Idk how to express but this is my second attempt and when I gave the exam last year, I was anxious I was directionless, mujhe to ye bhi pta ni tha ki pyq analysis ka exact mtlb kya hota h

There is no "new" thing as such! Just dire hard work, I already had my state psc pre in mid April so that pushed me to complete the syllabus in April first week, after that it was just revision. Of course **MAD** by **@J_Satyam and Dhruv helped a lot.** In the exam hall I remained really calm and focused, that was really helpful, gave me clarity and confidence.

Utkarsha

Tripathi

Started following Understand UPSC from Dec 2023 and since then it's been very helpful for me. From last year I have been applying **MAD** aptitude and it helped me clear Prelims 2024.

I was also enrolled in Conquer Mains and it was perfect program for a first time mains candidate like me. Although I couldn't qualify mains last year mainly due to optional I guess. This time also **MAD** has helped me to get 90+ marks. Hopefully will get a rank this time. **Thanks Satyam Sir** for all the guidance. Trust the process everything will go in right direction.

Pushkar Singh

Qualified sir. Thank you so much to understand upsc team.

I had Satyam Sir as mentor, who played a significant role in my preparation. He was a great support throughout the journey. Specifically for Ethics, I referred to the notes uploaded by him, and they were incredibly helpful. Even last year, I managed to score well in Ethics, and his resources definitely contributed to that.
